BIG Little Science Centre Open House Feb 25, 2006

The **BIG Little Science Centre** is holding its annual spring Open House on Feb 25th 2006. BIG Little Science Centre staff and volunteers will be performing shows throughout the day. There will be an all new Chemistry show, an expanded Light and Colour show, and a Phun with Physics show.

There will also be two rooms and hallways full of hands-on interactive science displays for all ages. Come out a see how much fun science can be!

BIG Little Science Centre volunteers performing the shows will include Gordon Gore (founder of the BIG Little Science Centre), Ken Schroeder, Dr Jim Hebden, Dr David McKinnon, Eric Wiebe, Shae Cooper, and Gord Stewart.

The Open House is on Saturday, Feb 25th 2006, 11am to 4pm in David Thompson Elementary School located at 1051 Pinesprings Road (Westsyde). Turn on Wawn Road off of Westsyde Road. See our website biglittlesciencecentre.org for more details. Admission is by donation. All proceeds go to maintaining the BIG Little Science Centre.
